PROVO, UTAH

FOREWORD

Mr. Henry K. Landis, one of the owners and founders of the Landis Valley Museum, suggested that this Index be made. He followed the work with the greatest interest, very kindly allowing me to take off many hours from the cataloging of his library in order to complete it. Dr. Wilbur K. Thomas, Secretary of the Carl Schurz Memorial Foundation, which sponsored my work at the Landis Valley Museum, kindly permitted the resulting delay in the preparation of the catalogue.

I wish to express my thanks to the officers of the Lancaster County Historical Society who gave me their cooperation in every way. An especial debt of gratitude is owed to Dr. Herbert H. Beck, President of the Society; Mrs. Charles M. Coldren, its Librarian; and Mr. M. Luther Heisey, Chairman of the Publication Committee.

I am also especially indebted to Mr. Herbert B. Anstaett, Librarian of the Fackenthal Library of Franklin and Marshall College, and to Miss Elizabeth C. Kieffer and Miss Lucile Brackbill of his staff, for their many helpful suggestions and for kindly giving the almost unlimited use of the library.

As the Society had published in Vol. XXXVI, 1932 an author-index of its proceedings, a subject-index only is given. The headings are chosen after those used in the Library of Congress. Gertrude H. Haldy and William F. Worner published regularly an excellent and exhaustive index of personal names,* therefore these have been chosen as subject headings only when they appear in the title of the paper, or when the whole paper, or an important fraction thereof is entirely devoted to the history of the person.

Poems, minutes of meetings, library reports, and reports of purely social activities have been omitted.

Dr. Felix Reichmann

* Haldy, Gertrude H. and William F. Worner, Index of Personal Names appearing in Vol. I - X of the Proceedings of the Lancaster County Historical Society, 1932

Yeager, Gilbert H., and William F. Worner, the same for Vol. XI-XX, 1934
Haldy, Gertrude H., and William F. Worner, the same for Vol. XXI-XXVI, 1930
Haldy, Gertrude H., and William F. Worner, the same for Vol. XXVII-XXXII, 1931
From Vol. XXXIII every volume has its index of personal names. These indices are made by: Vol. XXXIII, Miss Haldy; XXXIV, Mr. Worner; XXXV, Mr. Worner; XXXVI-XXXVIII, Miss Haldy; XXXIX-XLI, Miss Haldy and Mr. Heisey; XLII-XLIII, Miss Haldy.
